The Central Decatur Wellness committee met at 7:45 am on 1/21/16 in Mrs. Applegate's room (TAP room). Attending were: Amy Whittington, Rudy Evertsen, Chris Coffelt, Ben Stoner, Wendell Smith, Tricia Applegate, Joy Evertsen, Deanna Stone and Justine Buckingham.

Plans were discussed and made for the health and wellness fair which will be Wednesday, March 9th, 2016 in the north elementary gym. Committee members will be contacting various organizations to get vendors in place.

Chris brought up the idea to do a "walking bus" this spring with students. Buses would drop students off at a location and they would walk as a group to school. Local law enforcement and the PTO could be used as resources to assist.
