

## **Wellness committee minutes for 9/2/16**

CD wellness committee met on 9/2/16 at 7:45 am in the TAP room.

*Present:* Chris, Amy, Ben, Deanna, Joy, Wendell, Tricia & Justine

Wendell & Ben have been planning the walking school bus for Sept 23 & Oct 21. They have contacted Brian Broich (transportation) and the coaches for volleyball, football and cross country for those athletes to help by walking with groups of students. It is estimated we will need 6-8 volunteers at south and 15-20 for North/MS/HS. We will use the same routes that we used in May for students to walk. Chris will email Chamber members to see if they would like to volunteer. Wendell & Ben will talk with all the students and an email will be sent out along with putting information in the newsletter & on our Facebook page. Justine's seminar will make signs for staff or volunteers to hold up to motivate and encourage students. Ben will notify the LJR.

It was also discussed to be looking for grants to be able to purchase water bottle filling stations for each building. Another focus for this year will be to update our wellness policy and include students and a parent representative on our committee. Next meeting will be Wednesday, 9/14 at 7:45 am in the TAP room.
